

An Exceptional Lab Partner

NDX Heumann Topeka has a long history dating back to 1939 when Warren Heumann and his family founded it as a dental supply house and a dental lab. Over the years, it has evolved and flourished, joining esteemed networks and embracing cutting-edge technology to stay ahead of the curve.

The lab moved to a modern facility in 2017, revolutionizing its processes and setting new standards. In 2008, it boldly expanded its digital capabilities, solidifying its commitment to innovation.

Notably, the lab has been at the forefront of implant services since the early '80s. This journey of growth and advancement positions NDX Heumann Topeka as a leader in the industry, dedicated to providing top-notch services and embracing the future of dental technology.

“

NDX Heumann is here to help by providing you and your patients exceptional service that you can rely on.”

NANETTE JOHNSON, REGIONAL GENERAL MANAGER

NDX Heumann Topeka Features Comprehensive Lab Services, Including:

Digital Capabilities

NDX Heumann Topeka can help guide you through the digital evolution. We process digital data from all major scanning systems, making the transition to digital dentistry easier for your practice. We also provide consulting services to help you choose the scanning system and programs that work best for your practice.

Custom Shading and Staining Services

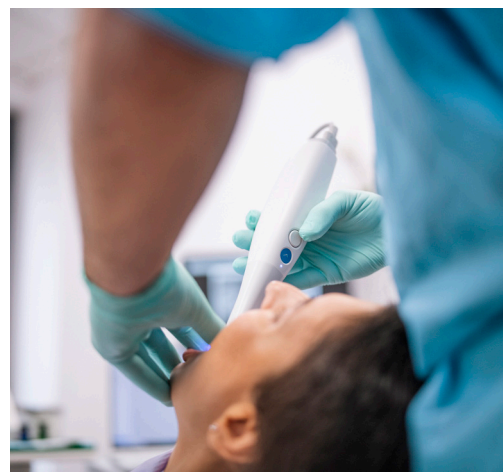

Patients receive personalized custom shade services as a complimentary offering provided by our laboratory.

Pick-Up and Delivery Services

Quality restorations are delivered anywhere in the United States — no matter where your practice is located.

State-of-the-Art Milling

We design the most accurate restorations, fitted for your patients' needs and budgets.

Featured Products and Services

Implants

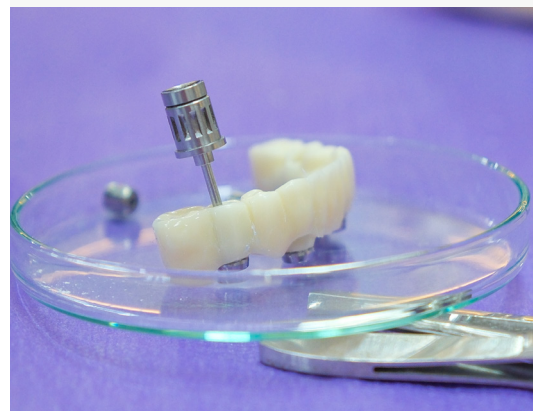

At NDX Heumann Topeka, we specialize in implant restorations and take pride in our expertise. We offer restorations for a wide range of dental implant brands, including stock or custom, ceramic or zirconia options, allowing you to choose the best solution for each patient. You can use the implant company you are most familiar with while ensuring that you are working with a lab that prioritizes quality.

Customer Service

NDX Heumann Topeka is committed to delivering exceptional customer service to all clients, daily. Our unwavering dedication to customer service represents our highest priority. We firmly believe that transparent communication is pivotal in fulfilling all of your case requirements and anticipations. Our proficient staff is readily available to address your inquiries, and our technicians are accessible for personalized consultations at your convenience. We aim to cultivate enduring connections and treat our customers with the same respect we expect.

We currently work with the following implant manufacturer brands:

- » Atlantis®
- » BioHorizons®
- » Implant Direct™
- » Neodent®
- » Nobel Biocare®
- » Straumann®
- » ZimVie®

Meet Our Family!

We believe that the key to a great relationship is to make our doctors feel like they are a part of our family. Experience the open communication, personalized service and consistent quality of NDX Heumann Topeka.
